PROPERTY DESCRIPTION

This is a great one-level home with a very fun, open floor plan. It features a great living room, kitchen and dining room and don't miss the huge utility/hobby room! Outside you'll enjoy a very large backyard that includes a great lawn, deck, garden area and even a grape arbor. Also worth mentioning is the owners have just put in a brand new heat pump and a new 30-year comp roof. This is a great value for the area!
