PROPERTY DESCRIPTION

This unique and contemporary home is located in the Southwest hills of Eugene and offers 3 bedrooms, 2.5 bathrooms and approximately 2,096 square feet. A large covered front porch invites you into the home. The entry offers tile flooring, under-stairs storage and a light and bright staircase that leads to the main level. On the entry level you will find a bedroom with double closets, a half bathroom and access to the 2-car garage with an automatic opener and sink.

A wall of cathedral windows provide plenty of light into the main level and great filtered views. At the top of the staircase is a landing and a coat closet. The living room offers a wood stove and two sliding glass doors that open to a deck. The kitchen is located in the center of the main living area. It offers a vaulted ceiling with 4 skylights, a center cook island, white cabinets, hardwood floors, Whirlpool dishwasher, disposal and custom pendant lights. The dining room has easy serving access to the kitchen and a pantry. The master suite features double closets, a private bathroom and sliding glass door to the deck. The master bathroom features a jetted Jacuzzi tub. Down the hall from here is a full bathroom, laundry closet and another bedroom with built-in shelving.

Outside is a great dog run and plenty of trees providing great privacy.

Drive By Directions Are: West on 18th, South on Hawkins, Right on Videra Drive
